SATURDAY JUIY 6th. 1895. LANGSTON CITY O. T.,

NUMBER 11

HOUSE. A MODEL KEEPER.

By Mrs. METELLA CLEMENT.

Can there be a subject of greater in terest to the young women of the present generation than;-How to be-Housekeeper embraces something more than a good female domestic manager.

It is suggestive to many meanings. Few girls are educated to become Model Houseksepers.

Educating the hand is as necessary as educating the boad.

Thoughtfulness, carefulness, coonomy, thrift, energy, all are essential in their make-up of a true house-keeper. always in good working order. The average young girl of the present day receives a scholastic education, but does not know how to cook a meal gestive.

She is not educated in a way to be able to put money carned to its best ness and to do the most and best she con with it.

house as well as in the school-room. tober 1, no one seems to have any thing for silver in any of the years it senate concurred in the provision for manage her work in a methodical man per, will waste a great deal of strangth

Housework like all other work should be reduced to system.

Been part should follow system sally and methodically one after the other. When housekeeping is reduced to eystem, and the bouse hosper of keeping the house clean and not housekeeper.

The housekeeper who finds it nee-

It does not require a great deal of dues to keep it olean. Very faw house keepers have any idea of true economy, that is, making their expapers come within their income.

However plain the home may be it can be made the abode of happiness, neatness and peace.

The spirit of order should character ise everything. Disorder leads to so many calcultee that too much stress connot be laid on that saving .- "Order is the first law of Heaven" The model housekeeper is not indolent neither is she always warring on dirt.

The housekeeper should always find. ont about 400 consular places, time for rest and pleasure. Our at every change in adm take pride, and are teaching the boys funion and suspend for a considerable and girls to be ready for any omer. time its beneficial workings. gency. Educate the beart to love, the

TO RACE AGAINST TIME.

WASHINGTON, June 26 .- The craiser Columbia is to rece against time

The Columbia's best four hours on trial trip was at the rate of 22. 8 knote, while the Minnespolis, not forced pear so hard, was over 23 knote, and it is claimed she can surpeer that easily now. The Minnespolis ran away from Adm. Meade's and did not seem able to keep down her pace to that of the Columbia. No doubt at all is felt at the wavy department that the Minneapolis can some a Model Housekeeper? A Model
